

ANZSNR

## ANZSNR Research Grant APPLICATION FORM

The ANZSNR Research Grant aims to provide 'booster' funding for research projects in neurodiagnostic radiology, Head and Neck Radiology and Interventional Neuroradiology.

Grants of \$5,000AUD will be awarded to recipients who demonstrate they have met the selection criteria (as listed below). Applications are open to ANZSNR members who are <5 years post Fellowship.

### SUBMITTING YOUR APPLICATION

All applications must be submitted on this form via email to [secretariat@anzsnr.org.au](mailto:secretariat@anzsnr.org.au)

Supporting documentation (such as a current CV) should be attached to this application form.

If you have any questions, please contact the secretariat at [secretariat@anzsnr.org.au](mailto:secretariat@anzsnr.org.au)

After submitting your application, an email will be sent to you confirming that your application has been received. The review process will take 4-6 weeks. Successful applicants will be notified in writing.

Applicants must state clearly how they wish to use the grant money in the section below. Accepted examples include:

- Access to human resources to assist with the research.
- RedCap (secure data hosting) costs
- Statistical supports
- Attaining ethics approval costs
- Salary Support.

Criteria used to judge the applications include:

- Validity of the project
- Attainability of the project
- Scientific merit and innovation
- Clarity of aims and objectives.
- Appropriateness of study method and design
- Relevance of project to neuro/Head and Neck radiology

### Reporting

Successful applicants will be expected to utilise the funds within 12-months of them being awarded. A short report on how the funds were used will be required to be submitted to the ANZSNR Research Grants Subcommittee. If the report indicates that funds have not been used, a 6-month extension will be granted and a further report required. No further extension to this will be offered and un-used funds will need to be returned.
